OFFICE OF PETITIONS

In re Application of
Michael B. D'Amore, et al.
Application No. 09/836,920
Filed: April 18, 2001
Attorney Docket No. CL1241 US DIV

ON PETITION

This is a decision on the petition under 37 CFR 1.137(b), filed December 2, 2002, to revive the above-identified application.

The petition is **GRANTED**.

The above-identified application became abandoned for failure to reply in a timely manner to the Restriction Requirement mailed November 6, 2001, which set a shortened statutory period for reply of thirty (30) days. No extensions of time under the provisions of 37 CFR 1.136(a) were obtained. Accordingly, the above-identified application became abandoned on December 7, 2001.

37 CFR 1.137(b)(3) requires a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. If the statement contained in the instant petition varies from the language required by 37 CFR 1.137(b)(3), the statement contained in the instant petition is being construed as the statement required by 37 CFR 1.137(b)(3) and petitioner must notify the Office if this is **not** a correct interpretation of the statement contained in the instant petition.

37 CFR 1.137(d) requires a terminal disclaimer dedicating to the public a terminal part of the term of any patent granted on the above-identified application or any patent granted on any continuing application that contains a specific reference under 35 U.S.C. 120, 121, or 365(c) to the above-identified application. Since the application is not a utility or plant application filed before June 8, 1995, a terminal disclaimer is not required. Accordingly, the terminal disclaimer filed with the instant petition is unnecessary. Therefore, the fee of \$110.00 will be refunded to petitioner in due course.

An extension of time under 37 CFR 1.136 must be filed prior to the expiration of the maximum extendable period for reply. See In re Application of S., 8 USPQ2d 1630, 1631 (Comm'r Pats. 1988). Since the \$920.00 extension of time submitted with the petition on December 2, 2002 was subsequent to the maximum extendable period for reply, the extension of time filed with the instant petition is unnecessary and the fee will be credited to petitioner's deposit account.

Telephone inquiries concerning this decision should be directed to Cheryl Gibson-Baylor at (703)308-5111, or in her absence, Sherry Brinkley at (703)305-9220.

The application file is being forwarded to Technology Center 1600, Art Unit 1621.
